

THE MASONIC BIBLE II

A message from the Anti-Messiah aka the Green Prophet

Why call the Bible the Masonic Bible? My reasons are many. First, the Freemasons form a secretive alliance that facilitates criminality, and the Bible secretly facilitates a criminal agenda.

How can the Bible facilitate a secret criminal agenda? How can millions of Christians be duped and conned by a book they consider the holiest book? This is not a mystery. One might as well ask, how can millions of children be duped by parents about Santa Claus, or how can billions of people be duped, day after day, year after year, by their lying media and politicians? How? Perhaps we must come to a humbling conclusion about the state of human intelligence.

Fortunately, a great awakening might be happening. Our churches are not reporting it, for they do not regard the rise of skepticism as progress. Faith in politicians and the media is also declining, but the media is not reporting it because they need faithful believers. But their lies are becoming too flagrant; the government's behavior is becoming too illogical and tyrannical. Now, the sheeple are starting to twitch their ears and rub their eyes.

Those who are still asleep are, of course, unaware that others are awakening because the awakening is not being reported in the sheepstream media. The real revolution will not be televised, at least not on the sheepstream media. Even the Bible's prophets dared not prophesy the awakening currently happening. Why? Because the authors hated truth and they wanted the world to never awaken to their criminal activities.

What are we awakening to? Among other things, to the fact that the world is ruled by devils—by compulsive liars, psychopaths, sociopaths, pedophiles, kleptomaniacs, megalomaniacs and genocidal eugenicists. And, we are also awakening to the fact that schools, the media and our governments put a powerful sleeping spell on us.

The modern media machine is the brother of the medieval media machine, the Roman Catholic Church, whose secretive leaders produced the Bible. It was written by a cabal of fake-Roman Catholic, secret Masonic-Jesuit-Whatever liars; similarly, the modern media is secretly controlled by CIA-Zionist-Masonic-Satanist-Technocratic-Whatever liars. These claims can be

verified by anyone willing to search for the evidence at stopbsnow.com or other alternative news sites. Ignore the conspiracy reality at your own risk.

How could the Bible be written by the same breed of tyrants and swindlers who are presently hurling the world into a monstrous fake-green-medical dictatorship, a one-world *unelected* government? Here's a better question: How could it not be written by their kind? The Bible is every dictator's wet dream. It *never* promotes democracy. Instead, it promotes a future world ruled by one man, a so-called Messiah. Isn't that what all our megalomaniac leaders dream of? And, isn't their dream nearly fulfilled? Haven't you noticed? We are already living in a world ruled by fake democratic leaders taking orders from a very small group of shadowy, unelected people who control such undemocratic organizations as the UN, the WEF, the WHO, the Club of Rome, the Bilderberg Group as well as the Gates, Rockefeller and Ford foundations and so on.

NOW, IF YOU FEEL DEMOCRACY IS DEAD, WHICH IT IS, AND THE WORLD HAS LOST ITS MORAL GROUND, WHICH IT HAS, PLEASE DON'T GO LOOKING FOR MORALITY IN THE BIBLE. THAT BOOK'S INTENTION IS TO PROMOTE SUBMISSION--**SUBMISSION TO POWERS THAT SECRETLY ENSLAVE HUMANITY AND SHAMELESSLY DESTROY NATURE.**

Do you want another portrait of the authors of the Bible? Then think of those special suicidal Christians who *want* to see the fulfillment of the Bible's end-of-the-world predictions. And think of the billionaires like Gates and Gore who take pleasure in issuing doomsday warnings. And think of the sick people who believe they are destined to use their money and power to fulfill the Bible's prophecies of plagues, war, and environmental destruction? Why would they have such beliefs? Because they are convinced—thanks in part to the Bible's Book of Revelation—that plagues, war, and environmental destruction are necessary before a one-world government is established on Earth, headquartered in Jerusalem, or Washington D.C., Luxemburg, or wherever.

And here's more bad news: like our endless Hollywood productions of bullshit, the Bible and Revelation especially are meant to justify acts of indiscriminate violence—acts like God's flooding of the world, the bombing of Iraq and the systematic polluting of the Earth using geoengineering programs. The Bible is meant to desensitize you to injustice, horror and dystopia by telling you that suffering and destruction are necessary and that your imaginary hero, savior and messiah will not come to save you until Life on Earth turns into Hell on Earth.

What does the Book of Revelation tell you can be done to prevent evil? NOTHING! You must sit on your ass and wait for the Messiah! Well, Hell on Earth is here. It was here long ago. And no one but you can save you—and no one will be saved without the help of their fellow human beings. No savior will come with a magic sword. You will not be saved by men on colorful horses or by a team of angels hurling cups of poison into oceans and onto continents. But, don't lose hope. You can be saved if you get off your sleepy, ignorant and apathetic ass and fight for your life, for the lives of your family, friends and neighbors, and for life on earth!

STOP WORKING FOR CORPORATIONS AND GOVERNMENTS THAT LIE AND DESTROY EVERYTHING! WAKE UP BEFORE THE WORLD SLIDES DEEPER INTO THE PLANNED MEDICAL-ENVIRONMENTAL CULT AND A GREEN-CLEAN DICTATORSHIP!

Do you think your rulers have your best interests in mind? They don't even know what humanity's interests are, and their true agenda is a secret to those who sleep. We awakened ones no longer believe that our leaders care about our health and the health of life on earth. How could we believe such patent nonsense? Have our rulers told you that sunshine, fresh air, socializing, exercise, organic food and clean water are the best weapons against any illness? NO! Have they done anything to reverse the unsustainable trend of species extinctions? NO! Have they reduced income disparity between the rich and the poor? NO! And yet, the media have convinced millions that they are living in the best of all worlds—and Bible-believers are some of the most easily convinced, since their holy book does not share any knowledge of good and evil, and it frankly forbids such knowledge in its opening chapter. Yes, such knowledge must be kept *secret*, for knowledge is death to criminals.

We are living in a cancer pandemic, a heart disease pandemic and an autism, auto-immune disorder and Alzheimer's pandemic. These and other diseases are not cured because our religions are useless and capitalists profit from making our food, air, water and medicine toxic and they profit from our consequent illnesses.

ULTIMATELY, OUR DISEASES ARE NOT CURED BECAUSE EVERYONE HAS FORGOTTEN HOW TO LIVE IN HARMONY WITH NATURE.

The psychopaths who want absolute and godlike control over everything love the Book of Revelation. After all, it prophesies that Satan will impose a global dictatorship by marking humans with the number 666 (Revelation 13:18) and by denying anyone without this number the right to "buy and sell." This implies that no one can live without becoming part of the Beast System. Does God care? Does any part of the Bible tell you how to prevent or reverse an economic dictatorship? NO! Why? Because the authors wanted people to be good little sheep.

Now, perhaps you're wondering why the number of the beast is 666? First, this number represents the name of Nero, a Roman tyrant and murderer of Christians. Second and equally importantly, the number 666 is a pyramidal number and therefore a Masonic number, for the Masons love their pyramids. Now, draw your own conclusions.

What happens to people who are not marked with the number of the beast? According to Revelation, they are denied the right to buy and sell, that is, the right to live in a world where everyone appears to need money. Does Revelation condemn this? NO! Does it command readers to resist, rebel and learn to live in harmony with Nature, without dependency on money? NO! Instead, it encourages its readers to wait for an imaginary hero to come and save a few—a *very few*!

Well, if I may be excused a little joke, now the Messiah has come, and he's waiting for you to wake up and act on the fact that you are being ruled by Masonic Satan- and self-worshipping psychopaths. You haven't noticed? The sleepstream media didn't tell you? That's surprising. The real prophets of our time, the brave souls speaking out in the wilderness of the alternative media, they have brought attention to the fact that the psychopaths who formerly ruled from the shadows have grown so confident that they are now flaunting their evil cult in our faces, even throwing their occult signs and symbolic numbers all over the media and their other evil creations.

For example, consider bill [H.R. 6666](#) and Bill Gate's [patent 060606](#). Aren't their numbers curious? Aren't their creators brave? Aren't they signalling to the world that they are Satanists and that they are no longer afraid to be seen? Yes, fools always feel immortal.

Do you think the numbers on bill H.R. 6666 and Bill Gate's patent 060606 coincidental? Is it also a coincidence that both the bill and patent are designed to fulfill the evil prophesied in the Book of Revelation—namely, the creation of a dictatorship in which everyone (except the elites) must receive an evil, life-destroying vaccine in order to receive the symbolic number, the mark of the beast, or, if you will, a Certificate Of Vaccination ID (COVID). What happens if you do not get your vaccination certificate? You will not be permitted to leave your home and buy and sell—or rather *work and shop*. In short, if you refuse to let toxic, inorganic compounds be injected into your body, you will not be able to engage in buying and selling. Obviously, that could be a death sentence.

Again, I ask you, what does the Book of Revelation say can be done to stop tyranny, sickness and destruction? After Revelation speaks of “destroying those who destroyed the Earth,” does it explain how people can restore life on Earth to health and vibrancy? NO! Instead, it describes how God's angels destroy the Earth *for God*, as a necessary prelude to the coming of the one-world dictator, the Messiah! Now, the psychopaths in power are eagerly destroying our common home—our planet's ability to support life—by assaulting life with chemical, biochemical, bioengineering and geoengineering EVILS so that they can establish their full-spectrum, one-world dictatorship.

What else does the Book of Revelation say after it seemingly condemns “those who destroy the Earth”? I quote:

“The time has come for judging the dead,
...
and for destroying those who destroy the earth.” (Rev. 11.18)

Bullshit! What about judging the living? We need good judgements now! But our elite criminals are above the law and control what little justice remains in our justice systems. And so it is in the Bible; the criminals who destroy the Earth are not punished in Revelation. Even divine punishment is cancelled because Hell is destroyed by the second death. Revelation is a criminal

fantasy! Those who commit crimes against Nature and Life escape even as God makes a big light show for his sheeple:

Then God's temple in heaven was opened, and within his temple was seen the ark of his covenant. And there came flashes of lightning, rumblings, peals of thunder, an earthquake and a severe hailstorm." (Rev. 11.19)

Do we need the ark of his covenant? NO! It contains the Ten Commandments, but can they can teach humanity not to destroy the Earth? NO! Do the Ten Commandments tell us how to live in harmony with Nature, human nature included? NO!

The Ten Commandments want you to love God; they condemn as idolatry any action or ritual that expresses love of animals, plants, the Sun or any other part of Nature. Therefore, if you love Nature, the Bible calls you a sinner and idol-worshipper.

Of course, our leaders would happily enforce Mosaic Law and the Ten Commandments, but thanks to developments in genetics, vaccination, digitization and microwave technologies, they are very close to creating a new world order comprised of a chosen few thousand criminals ruling over millions if not billions of sub-human sheep. To establish this order, they are using the United Nations and other unelected organizations to impose a Carbon-Corona Covenant, their fake green-medical commandments all meant to force everyone into living even more unnaturally than we already live—with masks, without socializing freely, with vaccines that destroy natural health, and in smart cities that dumnesticate humans and divorce humanity from all forms of Nature.

What do our elected and unelected leaders know about living in harmony with Nature? NOTHING! Consider Klaus Schwab, the founder and chairman of the World Economic Forum, an unelected body of criminals who want to impose a one-world government and establish a Fourth Industrial Revolution—a so-called revolution that will extinguish what little health and happiness remains on this planet. But let's hear [Klaus](#) the-liar speak for himself (start at 9:27).

Klaus dares to speak of living in harmony with Nature, but look at him! Study how he lives! Everything about him reveals that he is living *in opposition* to Nature and to human nature: he loves technology, flies in jets, rides in automobiles, wears suits, eats cooked and processed foods, shaves his beard and possibly his head, too, and he washes, yes, he washes all the truth out of his brain. Klaus belongs to that special human subspecies of anti-Nature psychopaths whose members wrote the Bible.

Once again, I ask you, what does the Book of Revelation *reveal* about how we can stop tyranny, sickness and the destruction of Nature? NOTHING! But it does have a subliminal message for you. Yes—it encourages every Christian to ignore and accept evil on Earth and it encourages them to look forward to being part of a 144,000-strong choir-in-Heaven! That is how Christians have lived for centuries, and it makes their masters smile.

Obviously, the time has come to awaken, to refuse to submit and refuse to bow to any God or authority. Do not turn to God in hope or despair. God and Heaven are not merely fictions; they are fictions that lead us to one of two temptations:

- 1) The ambition to be like God, all-powerful and above the law.
- 2) Acceptance of being sheep-like, submissive not to God but to religious and political 'godlike' and therefore powerful authorities.

The first temptation is characterized by courage—the courage to risk one's life in order to do evil to others. The second temptation is characterized by fear—the fear of powerful people and fear that rebelling means risking one's life. This sick, bipolar social consciousness does not only describe Christians. It describes all religious peoples and all societies in which people believe in governments. So, let us smash these two temptations and learn to be human again!

And please, do not imitate the Bible's Jesus! He is a good example of a sheep. That Jesus never rebelled or criticized his government, a government ruled by Emperor Augustus. But that was not the real, historical Jesus, I mean the thousands of brave men and women were crucified, who were burned and who were drowned for refusing to comply with tyranny, for rebelling against the Roman Empire and later for defying the Holy Roman Catholic Empire. Every one of those brave men and women was better than the biblical Jesus.

The biblical Jesus is a sheep. A lamb. He did exactly what Rome's tyrants wanted. He was a 'good' little lamb who *allowed* the government to slaughter him. And millions of Christians are imitating him. They are being good little sheep, and if they don't awaken, they will be killed by the people who control the technologies they thoughtlessly embrace, fund, produce and/or ignore, technologies such as weaponized vaccines, polluting industries, wireless technologies, geoengineering programs and toxic foods. As I write, our rulers are even manufacturing a food shortage before the eyes of their sleepy sheep.

Of course, in the Bible, the state's execution of Jesus is conveniently blamed on the Jews. This is called scapegoating. We are still doing it. We blame our problems on migrant workers, ethnic

minorities, foreign governments and now, blaming all whites has become the latest trend in racism. No one seems to understand that life itself is under attack and that we are all responsible. When we blame each other and speak of racism instead of classism and the biocidal reality, this makes people in power smile and feel comfortable.

Now, my friends, the great awakening has begun, but we still have far to go. Refusing to comply with the global criminals pushing both COVID-19 and Agenda 21 is a start. Ultimately, we must not only *learn* to live without heartless, criminal rulers; we must also *relearn* how to live in harmony with Nature and understand that viruses and carbon are not the causes of our troubles. On the contrary, they are harmless and necessary elements of our carbon-based, exosome-rich bodies.

My friends, let us learn to be masters of our own destiny and free ourselves from governments, banks, and corporations. Unless you wish to live in slavery, sickness and idiocy, ignore their promises and offers, and *do not comply with their demands and laws!* Practice civil disobedience in the name of life, truth and all things good! Listen and heed the language of our bodies and Mother Nature, and learn to obey natural principles and the Laws of Life.

Finally, my friends, let us laugh at our mistakes. Let us compost our Bibles, tear the wool from our eyes and bodies, and stop participating in the Dance of Death. Come! Awake! Rise for the Sun and for the future! Together, we can free ourselves from ignorance and slavery and join hands with Life, with Nature, and find more love than was ever dreamed.
